BARRINGER HIGH SCHOOL

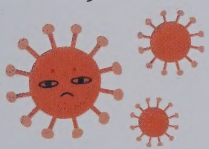
2020 - 2021

Words 2021 has Taught Us

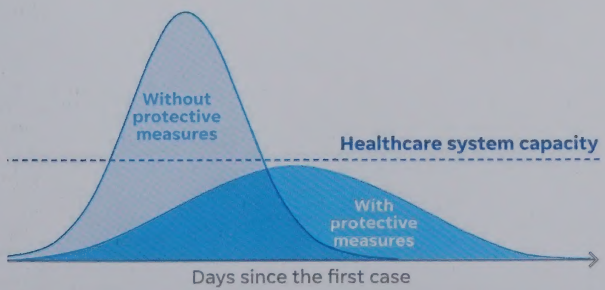
CDC *abbreviation, noun*
Stands for "Centers for Disease Control", the United States' federal health protection organization.

CENTERS FOR DISEASE CONTROL AND PREVENTION

COVID-19 *noun*
[koh-vid-nahyn-teen]
The name of the illness caused by the coronavirus SARS-CoV-2. COVID-19 stands for "coronavirus disease 2019."



Flatten the Curve
The 'curve' represents the number of cases over time. Flattening that curve means preventing a surge of new cases in a very short period.



Pandemic *noun*
[pan-dem-ik]

A new disease that has spread to many countries around the world.

PPE *abbreviation, noun*
Stands for "personal protective equipment". This includes masks, face shields, gloves, gowns and other coverings that healthcare workers use to prevent the spread of infection to themselves and other patients.

Social Distancing *noun*
[soh-shuhl dis-tuhn-sing]
Also called physical distancing. It means putting space between yourself and other people at all times. The goal is to slow down how fast an infection spreads. Stay-at-home orders are a way that the government can enforce social distancing. The CDC recommends keeping at least six feet between you and others around you in public. Social distancing also includes avoiding crowds and groups in public.

Quarantine *noun, verb*
[kwawr-uhn-teen]
Sometimes called "isolation." Quarantines keep people away from each other to prevent the spread of disease. Stay-at-home orders are a type of quarantine. Governments sometimes order quarantines to keep healthy people from exposure to infected people. They give rules to behavior and boundaries to movement.

WHO *abbreviation, noun*
Stands for "World Health Organization". This United Nations organization monitors and protects public health around the world.

Dear Class of 2021,

It is with much enthusiasm that I have had the privilege of serving as your principal. I am very excited about the progress we have made together this school year and the increased opportunities we have cultivated together. This school year presented a variety of unique challenges that tested us to our very core. From travel restrictions related to Covid-19 to virtual learning, we endured these trials and tribulations together.

This year was a year of firsts for us, from getting a student into Dartmouth College, an Ivy League institution, to increasing our scholarship awards by one million dollars.

All your successes begin with a thought of possibility. Before anything can happen, it begins with a thought. Thoughts are the seeds to creation, but they can also be the seeds of destruction. You must cultivate your thoughts. They are like plants and you must care for them. They can blossom like flowers or choke the life out of you like weeds. Stay positive and stay focused. Your success is our success.

I cannot emphasize enough that I am proud and impressed by your dedication and grit. Your spirit encapsulates all that is good in this world.

When I think of this school year and I think of you, I reflect on the serenity prayer. May God grant me the serenity to accept the things I cannot change. The strength to change the things I can change. And the Wisdom to know the difference. You embody all that this prayer symbolizes. You capture the spirit of the warrior and the power of the Blue Bear. As you venture out into the real world, rely on all that you have learned with us, change the world for the better and show us the way.

Thank you to the class of 2021.

With love and admiration,

Dr. Jose Aviles

Principal,
Barringer High School

Congratulations to

Jeremy Nathanael Romano

Full Ride to

Dartmouth

Jeremy Romano emigrated to the United States from the Dominican Republic and started Barringer High School in 2017 as a Freshman. Jeremy started Barringer with a limited amount of English skills and was placed in ESL for the first two years of his high school career. Jeremy tested out of ESL and was placed in honors and Advanced Placement (AP) Classes during his Junior and Senior years. He utilized many of the resources offered to Newark Students and also found resources on his own. He maintained his honor roll status during all four years while actively participating in many programs throughout the summer and the school year.

Jeremy is a member of the Barringer Student Government, NJ Seeds and the School Based Youth Services Program (SBYSP). Jeremy joined the School Based Youth Services Program because he wanted to start eating healthier food and lose weight in order to participate on the track and wrestling team. As a result of his dedication and discipline, Jeremy lost forty five pounds and was able to join the track and wrestling team. During the last two summers, Jeremy worked as a Summer Youth Enrichment Student for Rutgers RU Ready to Work Program and NJSeeds. As a junior Jeremy was also a member of the Barringer Math Honors Society. Jeremy Romano is an exemplary student and individual. He is courteous, thoughtful, compassionate about his community, loyal and a great representative of what Barringer High School has to offer.
